SUMMARY OF RELEVANCE OF CITED NON-ENGLISH PRIOR ART

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

The prior art references, as indicated and including the non-English language prior art references, provide information defining the general state of the art which is not considered to be of particular relevance to the present invention. The German Patent No. 198 48 215 and the British Patent No. 1 023 193 are considered to be relevant to the issue of inventive step of the invention.

These are the references as summarized by the International Search Report by the European Patent Office.

Attached please find the enclosed Information Disclosure Form, PTO/SB/08A or its equivalent, as applied to the above-identified application.

Respectfully submitted,
